Senior Care Insurance Services
7988 Broadway
Merrillville, IN 46410

Dear Fred,

Just a few lines to let you know that I appreciate the way your employee, Woody worked so hard to resolve a problem with my claim with the University Of Chicago Hospital. He did not stop at the first try, second try but continued until the job was complete. That's what I call a job well DONE! God give us more men like Woddy!

Thanks so very much.

I Remain,

Charles
